July 20, 2019 • Hickory Nut Gap Farm

Friends of Great Smoky Mountains National Park will hold it's second annual Smokies Stomp Barn Party on Saturday, July 20th. This celebratory evening is an important fundraiser for projects and programs across the Smokies, and relies on the support of community partners. We hope you will consider sponsoring this signature North Carolina event so that Friends of the Smokies may continue to preserve, protect, and provide for America's most-visited national park for generations to come.

Your sponsorship will...
