INDEPENDENT ACCOUNTANTS' AUDIT REPORT

Board of Directors Friends of Great Smoky Mountains National Park Sevierville, Tennessee

We have audited the accompanying financial statements of Friends of Great Smoky Mountains National Park, which comprise the statement of financial position as of December 31, 2019, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Friends of Great Smoky Mountains National Park as of December 31, 2019, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2019

NOTE A - DESCRIPTION OF ORGANIZATION

Friends of Great Smoky Mountains National Park (Friends of the Smokies) is a nonprofit North Carolina corporation with offices in Kodak, Tennessee and Ashville, North Carolina. Friends of the Smokies was established in 1993 to assist the National Park Service in its mission to preserve and protect the Great Smoky Mountains National Park by raising funds and public awareness, and providing volunteers for needed projects.

Friends of the Smokies primary purposes are to preserve, restore, and enhance the natural beauty and features, the ecological systems and the cultural and historical heritage of Great Smoky Mountains National Park; to enhance educational, interpretive, and research opportunities relating to Great Smoky Mountains National Park; to increase public awareness, enjoyment, and appreciation of Great Smoky Mountains National Park; to support the efforts of the National Park Service and other organizations and individuals in furtherance of the foregoing, and to provide support and assistance to the National Park Service in constructing or improving park facilities such as trails, visitor centers, and support facilities to better serve the visiting public.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on management's knowledge of current events and actions they may undertake in the future, actual results could differ from those estimates. Estimates are used when accounting for fair value of pledges, allowances for uncollectible receivables, depreciation, allocation of expenses, and contingencies, among others.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash and interest-bearing deposits. For purposes of the statement of cash flows, Friends of the Smokies considers cash on deposit with financial institutions and all cash investments with original maturities of three months or less to be cash and cash equivalents.

NOTES TO THE FINANCIAL STATEMENTS

(continued)

December 31, 2019

Property and Equipment

Property and equipment are recorded at cost or estimated cost if actual cost is not available. Donated property and equipment are recorded at the estimated fair value at the date of receipt. Friends of the Smokies capitalizes property and equipment purchases that cost \$2,000 or more. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets, which range from three to ten years. Depreciation expense for the year ended December 31, 2019 was \$9,781.

Support and Revenue

Contributions are recorded as support when cash or other assets are received. Contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Gifts of cash and other assets that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Restricted grants and contributions whose restrictions are met in the same reporting period as they are received are reported as unrestricted. Revenue from services is recognized when the service is rendered.

Contributions of property and equipment and other long-lived assets with explicit restrictions that specify how the assets are to be used, including cash contributed to acquire such assets, are recorded as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained; the expiration of donor restrictions is reported when the donated or acquired assets are placed in service.

Agency Transactions

Friends of the Smokies acts as an agent in certain cases to facilitate the receipt and transfer of charitable gifts to other organizations that benefit the Great Smoky Mountains National Park. Contributions received are recorded by Friends of the Smokies as revenue. Designated contributions disbursed to other organizations are presented in the accompanying statement of activities as a reduction of support and revenue.

December 31, 2019

Functional Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Costs are charged to program services, management and general and fundraising functions based on direct expenses incurred. Salaries, payroll taxes, employee benefits, occupancy and office expenses are allocated based on an analysis of time spent on program services and other activities.

State License Plate Revenue

State of Tennessee has provided for the sale of specially earmarked Friends of Great Smoky Mountains National Park license plates. The funds produced from the sale of such plates, less the expense incurred in designing and manufacturing the plates, are deposited in a State of Tennessee general fund reserve account known as the Friends of Great Smoky Mountains endowment fund. The endowment fund maintains a principal balance of \$500,000. All revenue produced from the sale of the plates and the earned interest of the fund are to be used exclusively for the assistance of the National Park Service in the care of the Great Smoky Mountains National Park. The State of Tennessee Commissioner of Finance and Administration makes disbursements of such funds on a quarterly basis to Friends of the Smokies.

State of North Carolina has approved Friends of the Smokies as one of the organizations participating in its state attraction license plates program. Quarterly distributions are made to the specific organizations, based upon each organization's proportion of state attraction plates sold. The revenue received from the sale of such plates, is to be used for educational materials, preservation programs, capital improvements for the portion of the park that is located in North Carolina, and operating expenses of the park.

Income Taxes

Friends of the Smokies is exempt from federal income taxes under section 501(c)(3) of the U.S. Internal Revenue Code, except on unrelated business income. Friends of the Smokies' income tax filings are open and subject to examination by the Internal Revenue Service generally for three years after they are filed. However, Friends of the Smokies is not currently under audit nor has Friends of the Smokies been contacted by this jurisdiction. Friends of the Smokies believes that it has appropriate support for any tax positions taken, and as such, do not have any uncertain tax positions that are material to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

(continued)

December 31, 2019

NOTE F - CONCENTRATIONS OF CREDIT RISK

Financial instruments that potentially subject Friends of the Smokies to concentrations of credit risk consist primarily of cash and cash equivalents and accounts receivable. Cash and cash equivalents are maintained in demand deposit accounts which, at times, may exceed federally insured limits. Friends of the Smokies has not experienced any losses and does not believe it is exposed to any significant credit risk on such accounts. By their nature, all such financial instruments involve risk, including the credit risk of nonperformance by counterparties. Exposure to credit risk is managed through various monitoring procedures. At December 31, 2019 Friends of the Smokies had no major concentrations of credit risk except for uninsured bank deposits.

NOTE G - RETIREMENT

Friends of the Smokies provides an IRA retirement savings plan for employees. All full-time employees who have completed a 90-day probationary period are eligible to participate. The first three percent of employee contributions are matched by Friends of the Smokies. Contributions made on behalf of employees during the year ended December 31, 2019 were \$20,215.

NOTE H - DONATED MATERIALS AND SERVICES

Donated materials and services are recorded in the financial statements at their estimated fair market value. The donated materials and services for the year ended December 31, 2019 were as follows:

NOTE K - ENDOWMENTS

Friends of the Smokies endowment consists of approximately seven funds established for a variety of purposes. All of the endowment funds are donor-restricted. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions. As of December 31, 2019, Friends of the Smokies held restricted endowments of \$11,064,492, the income from which is expendable to support the following purposes:

Brook Trout Fisheries Scholarship Other scholarships	\$	20,954 46,721
McNeil Education Ranger endowment		1,583,629

Interpretation of Relevant Law

The Board of Directors of Friends of the Smokies has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, Friends of the Smokies classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment and (c) accumulations to the permanent endowment made in accordance with the directions of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the endowment fund that is classified as net assets with donor restrictions until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by SPMIFA.

NOTES TO THE FINANCIAL STATEMENTS

(continued)

December 31, 2019

In accordance with SPMIFA, the organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund,
- (2) The purposes of the organization and the donor-restricted endowment fund,
- (3) General economic conditions,
- (4) The possible effect of inflation and deflation,
- (5) The expected total return from income and the appreciation of investments,
- (6) Other resources of the organization,
- (7) The investment policies of the organization.

Spending Policy

Endowment distributions are limited to no more than five percent of the average market value for the previous twelve quarters of each endowment fund. During the year ended December 31, 2019, distributions from the Trails Forever endowment totaled \$211,072 or 3.42% of the average market value for the previous twelve quarters of the Trails Forever endowment fund. Distributions from the McNeil Education Ranger endowment totaled \$18,000 or 1.25% of the average market value of the previous twelve quarter of the McNeil Education Ranger endowment fund. There were no distributions from the other endowment funds held by Friends of the Smokies.

Distributions from The Community Foundation of Western North Carolina are made in accordance with donor stipulations and totaled \$583 for the year ended December 31, 2019. There were no distributions from funds held by East Tennessee Foundation.

Investment Return Objective, Risk Parameters and Strategies

Endowments are invested in corporate stocks, money market accounts and certificates of deposit. Friends of the Smokies is developing investment and spending policies, to be approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. The goal of the endowment is to exist in perpetuity, and therefore, provide funding in perpetuity.

NOTES TO THE FINANCIAL STATEMENTS

(continued)

December 31, 2019

Two of Friends of the Smokies endowment funds are held and administered by East Tennessee Foundation and The Community Foundation of Western North Carolina for the benefit of Friends of the Smokies with the income distributed to Friends of the Smokies annually. Friends of the Smokies has granted the foundations variance power, which is defined as the power to modify any restriction or condition on the distribution of funds for the specified charitable purposes or to a specified organization, in the sole judgment of the foundation's board, such restrictions or conditions become, in effect unnecessary, undesirable, impracticable, incapable of fulfillment, or inconsistent with the charitable needs of the community served. Assets held by the foundations for the benefit of Friends of the Smokies are recorded in the accompanying statement of financial position as beneficial interest in assets held by others.

Changes in endowment net assets held by East Tennessee Foundation and The Community Foundation of Western North Carolina for the year ended December 31, 2019 were as follows:

NOTE L - SUBSEQUENT EVENTS

Friends of the Smokies has evaluated subsequent events through May 12, 2020 the date the financial statements were available to be issued, and determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements other than as noted below.

During March 2020, a public health crisis related to the rapidly growing outbreak of a novel strain of coronavirus (COVID-19) gained momentum, significantly impacting the national, state and local economies. While these events do not directly impact the accompanying 2019 financial statements, the current situation is rapidly changing and Friends of the Smokies management is in the process of evaluating the 2020 financial position, liquidity and results of operations and timing of fundraising events.
